The TLSccontact Visa Centre can only issue an invoice for visa service fees and additional service fees.

The invoice for visa fees will be issued directly by the Consulate General of France in London and returned along with your passport.

The visa application fee is fixed in euro but payable only in British Pounds. The exchange rate between these currencies is decided by the Consulate General of France and is updated periodically. Please note that your visa application fee invoice will only quote the fee paid in euro.

It may happen that the amount in GBP on the receipts is different from the amount actually paid by the applicant. Only the amount in Euro mentioned on the receipt of the Consulate General of France is evidence.
